

RANSOMWARE

WHAT YOU NEED TO KNOW

Source: Datto's 2017 Ransomware Report, in association with Timico, with survey findings gathered from 1,000 UK organisations made up of 500 SME's and 500 large corporations.

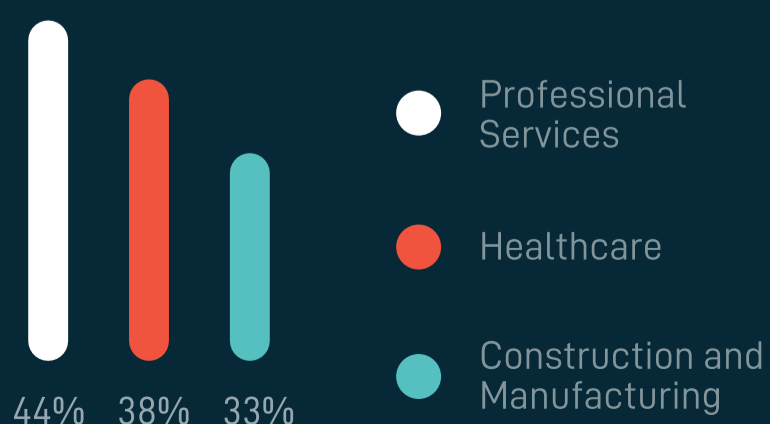

5 TOP TIPS FOR RANSOMWARE PROTECTION

1. Don't pay the ransom
2. Ensure you a Ransomware policy
3. Make sure you take data backups
4. Have a tried and tested DR Plan
5. Ensure your systems are all up-to-date

Less than 1 in 4 ransomware incidents are reported to the authorities
